

# HSCO Mental Health Focus Group: Statewide Needs Assessment

## Collaborating and Connecting

**What:** The Head Start Collaboration Office (HSCO), will be holding a focus group around the area of mental health to engage staff in this service area. This conversation will inform a statewide needs assessment looking at mental health, disabilities, and workforce recruitment and retention. Please join to help inform the HSCO about mental health needs for staff, children and families. Consultant Autumn Tomas will join to co-facilitate the conversation.

**Who:** Head Start Mental health staff

**When:** Tue, Jan 20, 2026 1:00 PM - 2:00 PM EST

**Where:** Virtual Teams: [Click here](#) or use the QR Code below to register.
