

MESSAGE FROM THE EXECUTIVE DIRECTOR

Hello Community Action Network and the Extended Network Sponsors, Supporters, and Friends:

I am excited to be the new executive director of the Florida Association for Community Action (FACA)! This position aligns with my aspirations to improve the lives of Florida's most vulnerable people.

For more than 40 years, FACA has answered the call of the "War on Poverty" and has been a beacon of support for Florida's Community Action Agencies. I am impressed by the services that you provide to the community. You all are true heroes! The work that you do every day embodies FACA's core values and honors its foundation. I am thrilled to have the support of the Board of Directors as I take the helm.

Over the past two decades, I have dedicated my career to serving children and families most in need. My mission is to help families achieve healthy, safe, and prosperous lives.

Prior to joining FACA, I led operations as a senior vice president for the Children's Home Society of Florida's northern region. In addition, I supported social services, behavioral health, and education program implementation and served as the statewide early childhood education exponent.

Driven by my commitment to helping our most underserved communities, I intend to be unrelenting in implementing programming and infrastructure that align with our core values, customer service, integrity, and inclusiveness. Further, I will seek to expand FACA's footprint for service using innovative practices and resources, and collaboration to enhance the work that you do every day.

I hope to see you all at the Annual Training Conference in Orlando, Florida, on May 15-19, 2023! You can expect an engaging list of workshops as FACA continues to communicate, educate, and advocate in Florida.

Continue to do the great work that you do! I look forward to connecting with you each of you soon.

Sincerely,

Nacole Guyton
Executive Director
