

Fifty local nonprofit organizations and companies have been chosen as honorees for this year's One Tampa Bay awards from the Tampa Bay Business Journal.

A Business Journal judging panel reviewed nominations from across the Bay area of nonprofit organizations and their work in the community, and from businesses that go above and beyond with corporate philanthropy.

Judges considered a variety of factors, including how much of a nonprofit organization's expenses went directly to programs, and how well companies met their philanthropic goals.

This year's honorees will be celebrated in the Nov. 24 weekly edition of the Business Journal.
