Region IV Head Start T/TA Network is proud to present

## CLASS Observation (Reliability) Training

This intensive interactive training session is designed to prepare participants to take the CLASS Observation (Reliability) exam. Cost for the training materials will be \$275 plus taxes and shipping charges per participant. Payment will be made directly to Teachstone® by February 10, 2023. CLASS observation training helps programs to build capacity to conduct reliable CLASS observations and collect CLASS data, which can be the first step in continuous improvement in the quality of teacher-to-student, peer-to-peer, and teacher-to-teacher interactions in the classroom.

### Who Should Attend?

- Alabama, Florida, Georgia, Mississippi, Kentucky, North Carolina, South Carolina, and Tennessee
- Coaches, Education Managers, & Center Directors

### What will I Learn?

- What the CLASS tool measures
- The link between effective teacher-child interactions and children's learning gains
- The behaviors associated with each CLASS dimension
- To code classroom videos using the CLASS
