What does the commitment mean?

The most crucial volunteer service requirement is your commitment to be actively involved. This means you participate, provide your creativity, take on responsibility at a level you can commit to, and embrace team effort. The beauty of serving is no one person does all the work. The benefits of contributing are the personal and professional development you receive through working with others for a common goal.

Secondary elements you will need to evaluate are the time, budget, and meeting commitments throughout the year. Various service opportunities involve everything from face-to-face meetings to conference calls. Time and expense are also involved. RIVHSA will host board training and quarterly board of directors' meetings face-to-face and virtually throughout the year.

Each Region IV Representative so elected shall serve for a term of (2) years and shall serve no more than four (4) consecutive terms.
