

About Autism in Toddlers

Support for Programs and Families

**Thursday, November 15, 2018
10:00am-12:00pm EST**

Early diagnosis and intervention has a lifetime impact for children with autism and their families.

Presenters:

Tia Walton-Walker, PhD

Community Engagement Coordinator, Research Faculty
Florida State University College of Medicine Autism Institute

Iris Davis, M.S. Reading and Language Arts

Doctoral Candidate
Communication Science and Disorders (Early Childhood Education Autism)
Florida State University

Register to attend at:

<https://attendee.gotowebinar.com/register/8202363734199581187>

This interactive, web based session will:

- support staff in identifying children in need of intervention services.
- provide resources and strategies for supporting families who suspect their child has autism.

**Register immediately to
reserve your space!**
