

Dévonja Daley currently serves as the Research Coordinator for Dr. Herman Knopf's team at the University of Florida's Anita Zucker Center for Excellence in Early Childhood Studies. Alongside Dr. Knopf, Dévonja provides administrative support for sponsored projects related to early childhood policy.

Dévonja holds a B.S. in Health Education from the University of Florida. She specialized in Community Health Promotion. Her research interests include barriers to a high quality of life and Adverse Childhood Experiences (ACEs). She is grateful to be a part of an innovative team devoted to helping children and families!
