

Be part of making your professional community stronger by volunteering with FHSA for a committee! Terms run through April 2022. Committees typically meet monthly by conference call.

Serve on a Committee or Task Force, and you can participate in activities like: planning educational sessions or creating eye-catching marketing campaigns for conferences and other events. Help to strengthen our membership through recruitment and retention initiatives by serving on the FHSA membership committee. Help advocate for Florida Head Start children and families, through our Advocacy Committee. For a complete list of committees, [click here](#).

All you have to do is [fill out this form](#) and tell us where you'd like to donate your time and talents. (Even if you've just served on a committee, you need to reapply to continue.)
